

CRITERIA FOR NOMINATION

The **Method of Selection, Article III** to the Kansas National Guard Hall of Fame By-Laws lists three elements to be considered when selecting individuals for induction. While these elements seem very general in nature and highly subjective, keep in mind that the primary and secondary considerations both pertain to military and community service associated with the **Kansas Army or Air National Guard or its predecessor, The Kansas State Militia**. Consideration should be given to wartime records and periods of Federal Active Duty only if they reflect credit to the **Kansas National Guard**.

Nowhere in the criteria will you find anything based on the military rank of the individual or how long they served. Many members of the Hall of Fame are senior, both enlisted and officer, and served many years, but that is common for any Hall of Fame.

PRIMARY CONSIDERATION WILL BE GIVEN TO SERVICE TO THE KANSAS NATIONAL GUARD, BEYOND THE REQUIREMENTS OF ROUTINE DUTY, THROUGH DEVOTION OF THE NOMINEE'S OWN TIME AND ENERGIES FOR THE IMPROVEMENT OF THE KANSAS NATIONAL GUARD.

SECONDARY CONSIDERATION WILL BE GIVEN TO COMMUNITY SERVICE THAT BROUGHT INCREASED RESPECT FOR OR AN APPRECIATION OF THE KANSAS NATIONAL GUARD FROM CITIZENS OF THAT COMMUNITY.

CONSIDERATION WILL BE GIVEN TO WARTIME RECORDS AND PERFORMANCES DURING PERIODS OF FEDERAL SERVICE DISTINCTLY RESULTING IN CREDIT TO THE KANSAS NATIONAL GUARD.
